# Terms and Conditions of Hire.

## Please read these conditions carefully: -

### Booking

The booking is a legally binding contract and is made between Dragonfly Narrowboat Hire (the Company) and you (the Hirer) and is made under the English Law. Any contract to hire a narrowboat only becomes effective once the Company receives a completed and signed Booking Form together with the appropriate deposit and a Booking Confirmation is issued.

### **Payments and Prices**

Prices are in pounds sterling. Prices are inclusive of V.A.T. and are subject to any change in the V.A.T. rate.

The Deposit must be sent with the Booking Form and is 25% of the total price. The Hirer will then be responsible for paying the balance of the hire price at least 4 weeks before the boat hire start date. This balance due date will be notified on the invoice issued as part of the Booking Confirmation. If the balance is not received by the balance due date then any deposit will be forfeited and the holiday will be re-advertised to be re-sold.

For bookings made within 4 weeks before the hire start date payment in full must accompany the Booking Form.

### **Returnable Security Deposit**

A returnable security deposit of £250.00 is to be added to the hire price. This will be refunded by cheque or electronic transfer to the Hirer in the week following the holiday subject to any deductions for loss, damage, additional cleaning or late return etc.

### **Cancellation**

Should the Hirer need to cancel the booking then the Company must be notified immediately by telephone and in writing. The Company will then make every effort to re-let your holiday at the full price. If this is successful then all monies will be refunded. However if the Company does not succeed in re-letting your holiday then the Hirer is legally responsible for promptly paying the whole hire price. We strongly advise Hirers to make their own holiday cancellation insurance arrangements.

### **Hire Period- Collection and Return of Boat**

The hire period is as shown in the Booking Confirmation. The hire period commences following the handover of the boat to the Hirer. The Company will endeavour to have the boat ready for the Hirer by 3 pm on the start date for Saturday starts and 9.30 am for Wednesday starts. The boat shall be returned to Swanley Bridge Marina and be vacated in a clean and tidy condition not later than 9.30 am for Saturday end dates and 2.30 pm for Tuesday end dates. Late return will be charged at £30.00 per hour or pro rata, deducted from the security deposit.

### **Embarkment**

British Waterways requires that boat instruction is given to at least 2 competent members of the crew. Before the Hirer departs with the boat, the Company will give the Hirer such instructions, demonstrations and trials as it thinks fit and require the Hirer to check and sign the Boat Acceptance Certificate to indicate that these instructions and demonstrations have been understood and that the boat contents, inventory and condition have been checked.

### **Age Limits**

The Company will not accept bookings from persons under the age of 21. The Hirer warrants that whenever a person aged less than 21 years drives the boat they will always be under the direct supervision of a competent adult.

In this event all monies will be refunded and the contract will be discharged without further liability on either party. The Company reserves the right to repossess the boat at any time if the boat is being used illegally, mishandled or if the behaviour of the crew is considered irresponsible. In this event no refund will be due or expenses met.

As previously stated Hirers are advised to take out their own personal insurance cover. The Hirer will indemnify the Company against all costs, damage expenses, liability and claims howsoever arising from the negligence, neglect or default of the Hirer to the extent that they are not covered by the Company's policy, examples of which are: -

- Contact the Company immediately with full details of the accident and damages.
- Record the registration number and name of any other boat and the names and addresses of all parties involved, including any witnesses.
- NOT in any circumstances admit or allow other persons on the boat to neither admit liability to any other person nor make any offer of settlement.

The Hirer is liable for and shall indemnify the Company against any claim or charge made by any Navigation Authority for loss of water or damage to waterway property.

### **Breakdown and Repair**

The Hirer is responsible for daily checks and basic maintenance of the boat and its equipment in accordance with the Company's instructions, and shall return the boat at the end of the holiday in a good, clean and tidy order and condition. The Hirer shall have no claim upon the company as a result of any failure or breakdown of the boat, its engine or equipment. The Hirer shall notify the Company immediately by telephone in the event of any breakdown or incident. The Hirer will then comply with the Company's instructions. The Hirer must not undertake or have undertaken any repairs without the Company's prior approval. Where a breakdown/damage is caused by the negligence of the Hirer, then the Company reserves the right to claim all costs and expenses involved from the Hirer in order to complete any repairs as required. The Hirer shall be responsible for re-floating the boat off mud banks and for removal of weeds, rope or other matter from the propeller. If these operations cannot be carried out in a safe manner then the Hirer shall follow Company instructions.

### **Fuel, Gas, Water and Pump Out etc.**

At handover the boat will be fully fuelled and all diesel fuel consumed is included in the price. If refuelling becomes necessary it may only take place at premises of suppliers as instructed by the Company. At the start of the hire period toilet waste tanks will be empty, any extra pump outs will be a charge to the Hirer.
